

HYGIENE ITEMS FOR NICARAGUA

Our student mission team will help build homes for impoverished families in Nicaragua. In addition to the homes, the team helps supply much needed items for these families. We can only do this with the help of our entire church, just as we have done in the past. We will need to collect 15 suitcases worth of supplies, so please be generous with your donations. All donated items need to be brought to the lobby of either church campus by June 25.

Here is a list of items that can be donated (new, unopened, non-expired items, please):

- Toothpaste, toothbrushes, dental floss
- Shampoo (please enclose in a ziplock bag)
- Soap
- Deodorant
- Brushes/Combs
- Toilet paper
- Cotton Balls
- Make-up and nail polish
- Nail clippers
- Alcohol
- Peroxide
- Hydrocortisone cream
- Band-aids
- Antibiotic ointment
