
Learning happens here.

Every moment of their day, children are exploring and discovering the world around them. With developmentally appropriate curriculum woven into each classroom, our children are establishing strong academic skills. At Little Angels, we have taken intentional steps to plan each day around engaging activities and new experiences that not only promote the education of the whole child but most importantly developing a relationship with Christ.

"25 years ago, I was a student at Little Angels. I still have vivid memories of Big Wheel Day and our Christmas program, but what I most remember is the kindness and love the teachers showed—and I want that for my children! The same atmosphere of love and genuine concern for each child's unique needs in the classroom has remained the same. These teachers pour their heart and soul into what they do and it really shows in the kids."

Ashley K., Mom

Little Angels is a ministry of First Baptist Church of Blue Springs.

At Little Angels Early Childhood Center, we recognize that you have many options on where to send your child. Your family can rest assured that between our loving, highly qualified staff, faith-based curriculum, flexible scheduling and competitive rates, LAECC is the best place for your child.

Baptist Church Blue Springs

We Exist to Know Christ and
Make Christ Known.

"Little Angels has been a blessing in so many ways. I know my son is loved, nurtured and encouraged to thrive while experiencing life with other children his age. The icing on the cake is that Little Angels is a ministry and my son is in a rich environment to **learn about the Lord!** Every teacher here has a hand in this wonderful recipe."

Autum M., Mom

We have highly qualified professionals. Our staff has over 180 years of experience working with children, 26 college degrees—five of which are teacher certified including two Early Childhood certificates. We also have two CNA's on staff.

We believe the success of each child depends on a strong partnership with parents so the values at home are being fostered at Little Angels. Our teachers are loving moms and they have a heart to see your child grow, just like their own kids!

Learning and fun takes place every day of the week from 7:00 am to 5:30 pm, giving parents the flexibility they need while still being confident their child is receiving the highest level of care, each hour of the day.

Little Angels provides children with exciting and engaging learning experiences through a faith-based curriculum that will prepare each child for Kindergarten. Our heart is to enhance your child's growth, develop their love for learning and to know Christ and make Him known.

Spiritual Growth

There are many ways we point children back to Christ each and every day. Your child will have various opportunities to experience worship, hear stories from the Bible and learn how to apply scripture to their lives.

Social Growth

Intentional group activities and free play allow your child to develop a set of social skills that will help them succeed in life.

Cognitive Growth

Academic activities extend into all parts of your child's day. Age appropriate curriculum is designed to allow children to become independent thinkers while providing the necessary skills for them to be successful in Kindergarten and beyond.

Physical Growth

We recognize the importance of learning through movement. Fine and gross motor skills are taught in various activities throughout the day.
