

Dear Families,

We are so excited for your child to have the opportunity to experience Break Away Day Camp this summer! We love being able to offer a day camp at our own location here in Eastern Jackson County to teach kids about who they are in Christ and enjoy so many fun activities so close to home. Thank you for raising your kids to know Christ and to make Him known!

We know another camp fee can be a strain on the family activity budget, so we have put together a fundraising letter to help your child raise funds to put towards their Break Away camp experience. You will need to help your child make the appropriate changes to the letter to personalize it for them. Remind them to always sign a letter in pen at the end. Help them put together a list of family and friends to send the letter to and address the envelopes.

There are many other ways to raise funds for camp; you just have to be open to putting in the time. Here are a few traditional examples:

- Recycling for Cash
- Bake Sale
- Lemonade Stand
- Washing Cars
- Garage Sale

Obviously, we never want the cost of camp to prevent a child from attending. If you need further assistance, please contact Anna Rains at the church office. Thank you for helping your child be involved in raising funds for camp. Please be praying for them and their week at camp.

Gratefully,

Break Away Day Camp Team
