2018 BACKPACK DRIVE

Loving our neighbors

IMPACT Backpack Drive 2018

Dear Friends,

Starting today, please be in prayer about how you, your family, Life Group, or Adult Sunday Morning Bible Study will participate in our annual Backpack Drive.

On July 22, during both of the morning services (I-70 and Valley Campus), you will be given the opportunity to either pick up a bracelet, identifying the gender of your child(ren) that you have chosen to bless with a backpack and all the school supplies needed for their grade; or a Backpack Gift Card Giving Envelope if you prefer to donate a \$50 gift card.

You will purchase a backpack and supplies, fill the backpack, and attach the bracelet to the hanging loop at the top of the backpack for easy identification. Please bring the backpack or gift card with you to worship on July 29 (I-70 and Valley Campus). **It is very important that your backpack or gift card is brought back by Sunday, July 29**, as we will begin distributing backpacks to families in the community that week.

Please join us on July 29 as we pray for the children. Your love and generosity will enable us to get backpacks to kiddos just in time for school. This is one of IMPACT's most beautiful and empowering FBC ministry outreaches.

Bless you, dear friends, for helping us love others as Jesus leads us.
