Safety Guidelines for Birth-12th Grade

Creating Safe and Fun Environments

Our vision is to see every child graduate with a personal faith that is authentic and transforms how they love Christ and love others. As we partner together, we have put some things in place to make sure every family feels confident while at FIRST.

WE ASK THAT YOU JOIN US ONLINE IF...

1

FEVER

If you or your child has a fever of 100 degrees or higher

2

SYMPTOMS

For example: shortness of breath, loss of taste or smell, cough, sore throat, muscle pain or chills

3

RECENT CONTACT

If your family has been in recent contact with someone that has tested positive for COVID-19

If symptoms are present or begin at church, we will ask that you come pick up your child immediately. If a child or leader tests positive for COVID-19, we will contact all families that were in that environment.
