

Little Angels Early Childhood Center

September 2021

Little Angels
Early Childhood Center

Yay for a new school year!

Welcome...

We are so excited for the 2021/2022 school year! The first week of school went GREAT! The kids and teachers are starting to get into routine, friendships are being made & we are becoming a school family!

A few things you can do to help us with these new transitions:

- Let the teachers know if your child is having changes in their home environment. Often, those changes will reflect over in the school day and it is nice to know if we need to give a kiddo a little extra love. 😊
- Develop a routine for drop off by having the same rituals you do every day. For example, you might get up, have breakfast, get dressed, drive to school and do the same good bye ritual such as a kiss or hug. These daily routines help the kiddos to know what is coming next and helps them feel safe during that time.
- Let the kids know they are safe at school by telling them “Your teacher will keep you safe.”. This lets the kiddos know you are aware they are away from you and you trust they are being taken care of.

As always if you have any questions or need help with daily drop off....let us know. We will be glad to help you come up with a plan that works for your family!

September Monthly Verse:

“We have the Lord our God to help us.”
2 Chronicles 32:8, NLT

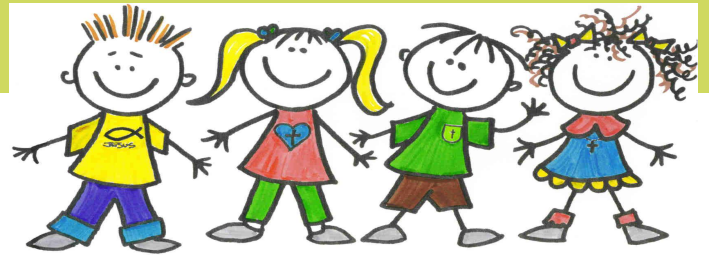

Mask Mandates & COVID

Updates...

As we head into the fall/winter months, the mask mandate has been extended until October 7. The LAECC staff will continue to wear masks when in the building. We ask that parents entering the building wear masks as well. If your child is showing any signs of being sick, please keep them home. You can refer back to the LAECC Parent Handbook for our illness policy.

If a child or LAECC staff member becomes positive for COVID, we will move forward with quarantining protocols and notify all families affected.

Thank you for being patient as we work through this together!

Bible Time

God made me....God loves me....Jesus wants to be my friend forever!

Every day of the week while at LAECC, your child receives Bible Time. They may go to Bible Time in a different classroom or have Bible Time in their own classroom.

The curriculum LAECC uses is the same curriculum FIRST uses on Sunday mornings with their preschoolers. They will hear the word of God, sing songs & pray together.

Your younger kids will begin to build a strong foundation as they learn God made them, God loves them & Jesus wants to be their friend forever. The primary goal is to foster an atmosphere of safety, love and learning that allows every child to know God's love & meet God's family. The children are taught the Bible is true and is God's word.

We will post the monthly verse in our monthly newsletters, if you want to work on it at home with your kiddos. It is amazing how well little ones can memorize verses!

You can also check out the weekly videos and monthly music by going to YouTube and searching "Orange Curriculum Parent Cue". This will lead you to videos for kiddos of all ages, including the preschool videos that go along with the Bible Story they are learning each week.

If you would like to check out a Sunday morning at FIRST, let one of our staff members know and we can give you details. We would LOVE to have you!
